

# Fuel Drivers – Mackenzie Petroleum Ltd.

Mackenzie Petroleum is seeking Full-time, Part-time and Auxiliary On-Call Fuel Deliver Drivers for their Dawson City and area Operations, willing to work days, evenings and/or weekends.

Mackenzie takes pride in its people. This position's purpose is to provide reliable and professional product transportation service to customers and from suppliers with safety as a top priority. You will work independently, operating and maintaining commercial vehicles while completing all tasks related to loading and delivering of fuel, propane, heating oil and/or lubricants to our customers.

## Key Responsibilities:

Reporting to the MPL Operations Manager, the Driver (Class 3 with Air Brakes) will be responsible for:

- daily pre-trip and post-trip vehicle inspections
- perform minor maintenance tasks on commercial vehicles when necessary
- fueling the vehicles
- ensuring that periodic scheduled vehicle maintenance is completed and reported
- documenting customer usage
- preparing trip reports
- preparing accident and incident reports as necessary
- providing other services as requested by management when not engaged in transportation service

## Qualifications and Skills:

- Minimum valid Class 3 with Air Brakes license with an abstract acceptable to the Employer
- Ability to read, understand, and adhere to the rules and regulations of the Federal and Territorial Governments
- Understand log book recording and regulatory compliance
- Ability to communicate effectively orally and in writing
- Ability to establish effective professional relationships with customers and co-workers
- Ability to prepare concise and accurate records and reports
- Ability to recognize vehicle maintenance needs and to perform basic vehicle repairs
- Possess reasoning skills to interpret policies and procedures, maps, and route directions

*We would like to thank all candidates in advance for their interest in these positions, however only those being considered will be contacted.*
