

Fuel Delivery Driver

Mackenzie Petroleum is seeking a Fuel Delivery Driver for their Dawson City operations.

Reporting to the Industrial Manager, the Fuel Driver (Class 3 with Air Brakes) will be responsible for providing reliable and professional product transportation to customers with safety as a top priority. You will work independently, operating and maintaining commercial vehicles while completing all tasks related to loading and delivery of fuels, heating oil and/or lubricants to our customers.

Would you describe yourself as having:

- A great work ethic and willingness to drive to customer locations
- A calm demeanor with a positive and proactive approach to problem-solving
- A passion for providing superior customer service
- A strength for working outside in all weather conditions

Key Responsibilities:

- Delivering products in a safe and efficient manner
- Transporting hazardous product or dangerous goods in compliance with internal and external laws, regulations, procedures, and policies
- Representing MacKenzie Petroleum in a manner that reflects the Company's values for safety, professionalism and environmental stewardship
- providing other services as requested by management when not engaged in transportation service

Qualifications, Skills and Conditions of Employment:

- Class 3 with Air Brakes license with an acceptable abstract
- Professional experience as a short-haul fuel driver considered an asset
- Transportation of Dangerous Goods experience
- Experience with maintaining a driver log book, bills of lading, inspection reports, accident or incident reports, and dangerous goods occurrence reports
- Ability to read, understand, and adhere to the rules and regulations of the Federal and Territorial Governments
- Ability to communicate effectively orally and in writing
- Ability to establish effective professional relationships with customers and co-workers
- Ability to prepare concise and accurate records and reports
- Ability to recognize vehicle maintenance needs and perform basic vehicle repairs
- Possess reasoning skills to interpret policies and procedures, maps, and route directions
- Ability to work in all weather conditions
- Must be a Canadian citizen, Permanent Resident or show proof of right to work in Canada

We would like to thank all candidates in advance for their interest in these positions, however only those being considered will be contacted.
